We normally send our monthly newsletter to members via e-mail as it saves the Chapter money on postage and printing costs. However, we would like to accommodate the varying needs of our members, so if you would rather receive the newsletter via the U.S. Postal Service, please check this box:

We would like to find out a little more about the specific needs of our Chapter members. Please tell us a little information about your dog(s) and what your training/testing goals are for 2010. Feel free to provide us with any other information, suggestions, concerns, feedback, etc. that you think may help our Chapter.
