

KETTLE MORAINE CHAPTER NAVHDA

ABOUT OUR CHAPTER

The Kettle Moraine Chapter of NAVHDA welcomes new members and their dogs. The Chapter provides training sessions monthly from February through August where members assist each other in the training process. We are fortunate to have several experienced dog trainers in the Chapter, and they are very willing to help. At the present time, we conduct NAVHDA tests three times a year, in June, July and August. We have been able to provide high quality tests due to excellent grounds available and hard working members. Most training sessions and all tests are held at the chapter training grounds near Lomira, WI (40 minutes north of Milwaukee). The fall is free of activities so that members can enjoy the hunting season. Many of our members are avid hunters and enjoy getting together to pursue their favorite wild game!

A benefit for Chapter members is a discounted membership at Wild Wings Sportsman's Club. Membership Fee is waived with a 20 bird hunt purchase.

We welcome you to join us at any of our Chapter's activities.
