### Chapter News and Events

The May training day was held on Saturday, May 10<sup>th</sup>. What a great turn-out!! We trained over 50 dogs for about 40 members, an "unofficial record"! Thanks to everyone who attended and to all those who helped out.

Reminder to all members: Please check for current bird prices when purchasing birds at the training grounds. Prices have increased this year due to price increases from our suppliers. Current prices are Quail & Pigeon - \$5, Chukkar - \$8, Duck - \$11 and Pheasant - \$12.

A map of the training ground is attached to this newsletter. Please be aware of the boundaries of the training grounds. With the exception of the two fields we current rent the rest of the farm is enrolled in the CRP program, which prohibits the running of dogs off-leash during the nesting season.

#### Upcoming Events:

**Saturday & Sunday, June 6<sup>th</sup> & 7<sup>th</sup> – Natural Ability & Utility Tests** – Thanks to all the members who volunteered to help!

**Saturday, June 21<sup>st</sup> – Training Session (8:00 a.m.)** Contact Wally Richardson at (262) 728-4794 or [wally@midamericains.com](mailto:wally@midamericains.com) to order birds by Sunday, June 15<sup>th</sup> if you are planning to attend.

**Friday, Saturday & Sunday, July 11<sup>th</sup>, 12<sup>th</sup> & 13<sup>th</sup> – Natural Ability & Utility Tests**  
We are still in need of volunteers! Please contact Bob Kilburn at (920) 994-9710 or [rkilburn@wi.rr.com](mailto:rkilburn@wi.rr.com) to lend a hand. No prior experience is necessary.

Dr. Jim Rieser & the Forest Home Animal Clinic would like to invite chapter members to their open house on June 21<sup>st</sup> from 1pm to 4pm. Tour the new clinic and get a look at all the new services they have to offer! Food, fun and excitement all around! Dr. Rieser is a founding member of our chapter as well as a chapter sponsor.

LOST AND FOUND - Lost or found an item at the training grounds recently? A few members have informed us that they lost items at the training grounds and wondered if anyone has turned them in. If you find any items at the training grounds please turn them in or notify a board member so that we can get it to the rightful owner. In no circumstances should anyone keep an item that they find at the training grounds. Thanks you're your cooperation!

### Other News

On March 26th the German Longhair Pointer Club of North America (GLPCNA) received a confirmation from Jim Applegate stating that NAVHDA will add GLPCNA to the list of organizations with pedigrees acceptable for NAVHDA registration. More information can be found on the GLPCNA website: [www.germanlonghairs.org](http://www.germanlonghairs.org)

Did you know that there are many items commonly found in today's households that are poisonous to dogs? One example is sugar-free gum. Many sugar-free gums contain **xylitol**, a sugar substitute that causes dogs to secrete insulin, which causes blood sugar to drop very quickly. Large doses may also lead to liver failure.
