From the President's Desk

Well I can't believe the training season is over, it's been a great year. Our training days and tests went smoothly and I heard many great comments from our visitors. All of these events could not have gone so well without all the volunteers. I would like to personally thank each and every one of you who chipped in this year. Sometimes it feels like it's the same faces, but this year we have seen many new active members. But there is always a need for more help. If you haven't helped out with a training day or at a test, I encourage you to do so next year.

The annual meeting is scheduled for Saturday, December 6th. We have many important topics to discuss and I would encourage each member to attend. In particular, we need to discuss the leased land and keeping birds in the pens. While the land is a great thing to have, it does come at a pretty hefty price. We also need to discuss if we will continue to hold birds at the leased land. I'll prepare you now that we suffered significant losses this year. Whatever the reason, we can't continue if we can't at least break even. These are very important issues, so please plan on attending.

Lastly, best of luck this hunting season and be safe. I look forward to seeing you in the field.
