Chapter News and Events

PRESIDENT'S MESSAGE

If you're like me, it's nice that the chance of snow is highly unlikely and the weather is now pleasant for training. Make sure to have your dog properly vaccinated since with training and testing season there is an increased exposure to other dogs. Also, now is a good time to medicate your dog against ticks since they are sure to be coming out shortly.

Kettle Moraine's training season is now in full swing. After the cleanup day on May 8th, the pens will begin to be stocked with birds for members use. Please make sure to pay in full before taking the birds and make note on your payment or bird form of any dead birds. Even though we have people assigned to take care of the birds, please feel free to fill up the feed and water containers if you notice they are empty. Most important of all, make sure to call Bob Kilburn, rkilburn@wi.rr.com or (920) 994-9710, if any things seems to be unusual; like numerous dead birds, holes in pens or out of feed. Having the birds available to members is a privilege and it's a responsibility we all must share.

We have our first hunt tests on June 5th & 6th. We are in need of volunteers to help out. Without volunteers to help run the test we would not be able to hold them. If you're new at dog training, one of the best ways to learn is to help out at a test. If you're an experienced handler, it's great to payback the effort of the other people who volunteered when you ran your dog. No experience is necessary and we have experienced people to help show you your duties. Some of the positions available are: Field Marshall, Water Marshall, bird planter, gunner, winger operator, field assistant, water assistant and lunch coordinator. Please contact Wade Landreville at info@sunshine-kennel.com or (262) 573-8058 to volunteer for the upcoming June test. ~Cont'd
