Chapter News and Events

PRESIDENT'S MESSAGE

Kettle Moraine NAVHDA is once again having a fund-raiser at Wild Wings Sportsman's Club. The fundraiser last year was a great success. The 2010 date is set for August 27, 28 and 29. Two volunteers are needed per day to sell raffle tickets at Wild Wings clubhouse and one volunteer is needed for selling special raffle tickets at one of the sporting clay stations. Since this is the main fundraiser for Kettle Moraine it is important for us to participate. It is important to support KM by providing raffle prizes and working as a volunteer. Please come out to shoot and support a good cause. The cost to shoot one round of sporting clays is \$25, which includes sandwich, beverage and entry into the shooters raffle "Lewis Class". All additional rounds of sporting clays will cost \$20 per round. This fundraiser will be bigger then last year since there will be multiple guns raffled off. Please contact Steve Becker: skbecker6@yahoo.com(920)562-2045.

Thank you,
Steve Becker-President

Thank You June Test Volunteers ! :

What we have and how we keep it.

All NAVHDA chapters are there to help their members learn to train their dogs and put on tests. The tests assist handlers in evaluating their training program and help breeders evaluate their litters. Most chapters can only put on a couple tests a year if they are lucky due to the fact they lose money or barely break even. No other chapter that I am aware of (I am not aware of all chapters) leases land for its members to be able to use exclusively during the training season, much less stocks birds to be sold on the honor system.

The KM NAVHDA Chapter is lucky in this regard. We are fortunate to have enough members to be able to afford to lease land. We also have the support of an outstanding sponsor in Wild Wings. Through Wild Wings memberships, that are discounted to Chapter members, we are able to house our judges for free during the tests. We are not only able to break even on our tests, we are usually able to make a profit. Combined with the fact the grounds are outstanding and we put on first class tests, we have the ability to fill up tests fairly easily. This allows us the ability to put on more tests as fundraisers limiting the need to be constantly worried about money, raising dues and scheduling other fundraising (which cuts into valuable dog training time).

The only way to continue with the status quo is to make sure we continue to put on outstanding tests. This is not something only a few can do, it is not something the board can do, THIS is something that the CHAPTER has to decide to do. This is where it is up to the membership to volunteer to work at the tests. No prior experience is required to work at a test. It is actually a great learning experience if you plan on testing a dog in the future. It is where I now go to get together with my friends. I even ask my wife to help with the lunches so that she does not feel like a NAVHDA widow (she gets to see me at lunch). If every member worked 1 test day a year, attended the work day, or hosted another work day it would not seem like work but a get together with friends. The chapter will continue being financially stable and the envy of other chapters. If you would like to volunteer to help or if there is something you would like to suggest please let me Bob Kilburn, Steve Becker, or any of the other board members know. We need your help!

Thanks for being a member of the Kettle Moraine Chapter.

Bob Kilburn, Vice President

NAVHDA
