New this fall “Youth Pheasant hunt” September 24th, save the date!!

The youth hunt will be sponsored by our chapter has been added to the annual sporting clays fundraising event. We need your help and support, this will be fun and hopefully very beneficial to both our and Wild Wings clubs both now and for the future! We have reserved 2 fields for the day and will rotate groups of youth (ages to be determined and each accompanied by an adult) and 2 handlers with pointing dogs out every couple hours. So we will need many volunteers to help run both events smoothly. We hope to do dog demonstrations showing what navhda is about. Also will be nice to have small group informational sessions after each hunt to answer questions and promote our chapter. It will also be a great way to promote your kennel for those maybe interested in buying a pup. We also will be encouraging everyone that can or can't help in the field to shoot a round of clays or purchase a hunt that same day. Depending on the amount of interest, we may use one of the fields for adults to purchase their own hunt or hopefully it will draw so much interest we can reserve another field for the day. We need to show Gerry at Wild Wings we really appreciate what he does for our club by participating in this event one way or another. More detail will follow soon so watch your e-mails. If you already know you want to volunteer please contact Mark Kuechler mark@amarkdie.com or Courtney at courtneyvogel@hotmail.com

As you all probably know our KM Chapter relies on membership dues and fundraisers to stay financially healthy. This in turn allows us to lease quality land throughout the training season, purchase, stock and feed a variety of game birds for your purchase on the honor system that are needed to thoroughly train your dogs. The training grounds also serve as a great place to hold our tests, which are also a means of raising funds.

Because we are financially strong we are able to offer and fill 3 quality tests a summer in which we make money for the club. This is more than many chapters can do. We also hold an annual fundraising sporting clays event at Wild Wings each year. Gerry allows us to use his facilities at no charge and then he also generously donates back a very nice portion of the money raised to our club. We are able to hold a silent auction at this event and he promotes our shoots to his regular clientele. Gerry also waives the membership fee to our chapter members with just a purchase of a 20 bird pheasant or chukar hunt. That also includes a nights free lodging for your group at his facility. This is an outstanding sponsor so we need to show him we appreciate everything he does by showing up at the fundraiser to help and participate and also patronize his club now and then.

To hold the tests and the fundraising event we rely on all members to volunteer. We are asking and REALLY appreciate anything you can do to help these events successfully take place. We know that your short summer schedules fill up fast but are hoping everyone can find some additional time to volunteer a couple times a year. If you can do more that's great too, many people do, big thanks for that!! No experiences is necessary to help at these events and its a great place to learn what the tests are like if you are considering bringing your dog through the NAVHDA system. I cannot forget to mention the great long term friendships that develop by meeting and socializing at all our chapter events, it becomes family to many. to some eventually they plan their summers around our events☺.

On behalf of myself and our board, we thank you all for joining our Kettle Moraine chapter to help make it a success and build great memories!

Mark Kuechler
VP KMNAVHDA
