Chapter News and Events

The first training day of the season will be held on Saturday, February 23rd at the Ottawa Field Trail Grounds in the southern unit of the Kettle Moraine State Forest. Note that this is a fee area. If you do not have an annual state park sticker you must purchase a daily permit at the entrance. **Please contact Don Olszewski at 262-679-8032 by Sunday, February 17th to order birds if you plan on attending.**

The March training day will be held on Saturday, March 15th at the DNR Dog training area on Hwy U in the Northern Unit of the Kettle Moraine State Forest. Details, including a map to the site, will be included in the March newsletter.

It's membership renewal time. If you haven't already done so please renew soon! Note that dues have remained the same as last year: \$40/single and \$50/family.

Please note that we have decided to discontinue the use of the parking hang tags. As a result they will not be sent to you when you renew your membership. We will send out an updated membership roster with the April newsletter.

It's time to make a change to our website (www.kmnavhda.com). We've decided to change the picture on the home page and we want it to be your dog in the new picture! Please send your best photo of your pooch(es) to Brian (Wardius@sbcglobal.net). We will select the best photos and update the site with them every few months.

A word from the President

I hope that everyone had a safe and fun filled hunting season. While I am sad that the hunting season is winding down, I look forward to getting back to training and seeing all of you and your dogs. We have a great year planned again and in just a few weeks we'll be back at Ottawa for our first training day. Make sure you get your bird reservation in. Our tests are also starting to come together; the judging line-up is shaping up nicely. We put on some very good tests and that is due in large part to our volunteers.

I'm also excited about our fund raising events; most notably the Sporting Clays shoot at Wild Wings in September. We've wrapped that event around our family picnic so that every can socialize and shoot a couple rounds at their leisure. It should be a great time.

Lastly, NAVHDA is all about people coming together to help YOU get the best out of your dog. Please get involved because this chapter is nothing without YOU. We will need volunteers at our training days, tests and fund raising events. No experience is necessary and it's great fun! If you have any questions, please contact a board member.

Brian
